/// VOLO® COMPANY PROFILE

VOLO®FREE TECH LTD.

Is a company founded by a team of Italian managers with solid experience in production in China, export and distribution worldwide. Customer is at the center of our action.

The mission of the company is to provide the world's leading distributors of the most innovative products in the telecommunications sector, ensuring both an excellent level of quality through the control procedures defined for the various products and the best value for money. We propose ourselves as "cultural mediators" between the world of production in China with its many difficulties and the world of modern distribution. Our Italian graphic designers will develop the packaging, graphic solutions and POP advertisings to help you grow your business.

THE CATALOG

The catalog is divided into:

- AUDIO: Wired and Wireless Headsets, Wireless Speakers, AUX Cables.
- PROTECTION: Covers, Cases, Tempered Glasses.
- ENERGY: Data Cables, Car and Home Chargers, Wireless Chargers, Power Bank.
- UTILITY: Monopod, Car Mounts, Holders.

It is easy to consult and it is enriched with new products with regularity.

QUALITY

A team of experienced technicians ensures that quality control procedures are applied both during the production phase and during the product finishing and packaging phase to ensure medium / high quality over time.

PACKAGING

Even the most elementary product, if appropriately presented, will offer our partners additional sales opportunities. That's why our graphic designers work on the development of packaging solutions that exalt the product and contribute decisively to its sale to the end user.

SELFIE CASE SERIES

Custodia protettiva per smartphone con luce LED, ideale per realizzare selfie, video chiamate, conference call ecc...

3 MODALITÀ DI ILLUMINAZIONE: La luce LED si apre dopo aver premuto il pulsante verso il basso, dandoti una luce extra in modo da brillare come una stella nei tuoi selfie e vlog. Questo pulsante ti consente di accendere o spegnere facilmente la luce ad anello, nonché di regolarne il calore e la luminosità, così da metterti sempre nella luce migliore.

PROTEZIONE ANTIURTO: Questa custodia per smartphone è dotata di una struttura angolare che assorbe gli urti e protegge il tuo dispositivo.

È realizzata con materiale PC e ABS in grado di proteggere efficacemente lo smartphone da urti e graffi.

The selfie light case are widely used, such as makeup live broadcast, youtube vlogging, selfie photography, It can also record online video conferences, so you can enjoy the fun of working at home at any time.

Precisely arranged LED lights that brighten up your smile in any situation and just turn on the light and you're ready to take brilliant selfies with glow and shine.

3 LIGHTING MODE: The circle light pops up after toggling the button downwards, giving you extra light so you shine like a star in your selfies and vlogs.

This surprisingly capable button lets you easily turn the ring light on or off, as well as adjust its warmth and brightness, so you can always put yourself in the best light.

SHOCKPROOF PROTECTION: This newly released phone case equipped with impact-absorbing angle structure designed for iPhone case to disperse severe shocks, is made of imported high-grade PC and ABS materials, which can effectively protect the mobile phone from being scratched.
