/// VOLO® COMPANY PROFILE

VOLO®FREE TECH LTD.

is a company founded by a team of Italian managers with solid experience in production in China, export and distribution worldwide. Customer is at the center of our action.

The mission of the company is to provide the world's leading distributors of the most innovative products in the telecommunications sector, ensuring both an excellent level of quality through the control procedures defined for the various products and the best value for money. We propose ourselves as "cultural mediators" between the world of production in China with its many difficulties and the world of modern distribution. Our Italian graphic designers will develop the packaging, graphic solutions and POP advertisements to help you grow your business.

THE CATALOG

The catalog is divided into:

- AUDIO: Wired and Wireless Headsets, Wireless Speakers, AUX Cables.
- PROTECTION: Covers, Cases, Tempered Glasses.
- ENERGY: Data Cables, Car and Home Chargers, Wireless Chargers, Power Bank.
- UTILITY: Monopod, Car Mounts, Holders.

It is easy to consult and it is enriched with new products with regularity.

QUALITY

A team of experienced technicians ensures that quality control procedures are applied both during the production phase and during the product finishing and packaging phase to ensure medium / high quality over time.

PACKAGING

Even the most elementary product, if appropriately presented, will offer our partners additional sales opportunities. That's why our graphic designers work on the development of packaging solutions that exalt the product and contribute decisively to its sale to the end user.
